

INSTRUCTIONS

1. Paint the inside of the dish with 3 generous coats of Turquoise using a fan brush.
2. Allow the paint to dry. If there is any paint on the edge, you can either use a sanding block or wet sponge to remove it.
3. Cut the pattern down so that it fits inside the dish.
4. Use a pen to firmly trace over the lines of the pattern. Before you remove the paper, hold it in place with one finger and peel the corner back. Check to see that all of the lines are traced then remove the paper.
5. Fill in the outline of the first, third, and fifth rows with 3 generous coats of Red Head using a liner brush.
